

Welcomes You...

Welcome to the practice of Cumberland Foot and Ankle Center. We appreciate your interest in our practice and look forward to serving you.

Our physicians and staff are specialists who have devoted themselves to providing the best in advanced foot and ankle care. As podiatric physicians and surgeons, we recognize that patients come to us because of the limitations placed on them due to foot or ankle pain.

It is our goal to remove these limitations, to the greatest extent possible, giving patients a solid foundation to stay active and enjoy life.

All of our providers are trained in advanced diabetic foot and ankle care, pediatrics and sports medicine.

DID YOU KNOW THAT CUMBERLAND FOOT AND ANKLE CENTER HAS EVENING HOURS AVAILABLE FOR THOSE WHO WORK LATE?

Happy Healthy Feet!

Dr. Jonathan Moore received his Doctor of Podiatric Medicine Degree from the California College of Podiatric Medicine in 1999 and then went on to receive a Masters Degree in Education in 2001. He subsequently completed a three-year podiatric medical/surgical residency, including a one-year Diabetic Foot Fellowship, at the University of Texas Health Science Center. Dr. Moore became the first foot and ankle surgeon to be appointed staff privileges at Lake Cumberland Regional Hospital. Dr. Moore is widely published on numerous foot and ankle related topics and serves on both professional and community boards. Dr. Moore resides in Somerset with his wife, Kim, and their three children, Gabriel, Audrey and Jonathan.

Dr. Pamela Jensen received her Doctor of Podiatric Medicine Degree from Des Moines College of Podiatric Medicine and Surgery in June, 2001, and then completed a two-year medical/surgical residency at the University of Texas Health Science Center in San Antonio. Dr. Jensen became an associate of Cumberland Foot & Ankle Center in July, 2003. Dr. Jensen resides in Somerset with her husband, Dallas, and son, Logan. Dr. Jensen is active in her church choir and has many published articles on foot and ankle related topics.

Dr. Christopher Miller received his Doctor of Podiatric Medicine Degree from the Ohio College of Podiatric Medicine in 2002. He completed a three-year surgical residency at Mercy Hospital of Pittsburgh. Dr. Miller has extensive foot and ankle surgical training and has been involved in many areas of research as well as a clinical practice. Originally from Cincinnati, Dr. Miller now resides in Somerset with his wife, Kim, and their daughter, Kelsey and son Colin.

Denita McDonald, ARNP, began practice at Cumberland Foot & Ankle Center in February, 2003. She received her Bachelor of Science in Nursing from Western Kentucky University in May, 1997, Masters Degree of Science in Nursing from Western Kentucky University in May 2002, and ANCC Certified Family Nurse Practitioner in May, 2002. She received Top Academic Award BSN Class of 1997 and Top Academic Award MSN Class of 2002. Denita resides in Nancy with her husband, Chris and their two daughters, Mallory and Ashlyn.

Appointments

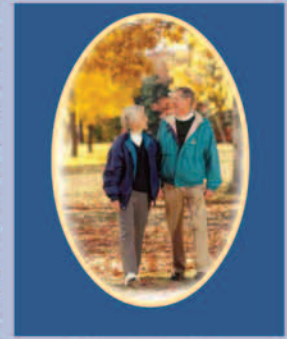

It is customary for our practice to make appointments in advance. We prefer to schedule all appointments through our centralized scheduling office. To make an appointment, call 606-679-2773 or 800-600-6740. If you find the need to reschedule, please call us at your earliest opportunity so that we may offer that appointment to another patient.

Evening Clinic Hours

Evening Clinic Hours are available during the week. Call our office to find out what times are available for your convenience.

Insurance

Our office accepts all major insurance plans, as well as most of the smaller carriers. As a courtesy, our office will file insurance claims on your behalf. It is important to note any copayments, deductibles, or fees for service not covered by insurances will need to be paid at the time of your office visit.

Please assist our staff by bringing your insurance ID card to all visits. If you have any questions regarding your insurance or billing, please call our friendly staff at 606-679-2773 or 800-600-6740 Monday - Friday, 8:30 - 4:30.
